

Being focused on an area of great potential for industrial applications, with a strong increase in the number of researchers in recent years, **VISUM is an unmissable opportunity to be close to knowledge.**

**For sponsors, VISUM 2022 is an extraordinary position for:**

- recruiting, branding & communicating with the most motivated students/researchers on machine learning/computer vision community
- having access to our recruitment database
- be promoted as sponsor during 6 months on VISUM social networks and during the event week

Sponsorship funds have been critical in ensuring the continued success of the summer school. **VISUM 2022 appreciates your support** and participation and will do its best to ensure that your sponsorship meets the needs of your company.
